

Y1 half-term learning grid		
Talk, think, read, write	Design and create	Let's perform
Write a book review about your favourite book. Can you add an extra page of your own using the style and language of the text? Draw a picture of the front cover to go with it.	Design a new house for the Three Little Pigs. Perhaps one that can't be blown or burnt down! Think about the properties of different materials.	Learn and perform the rhyme 'London Bridge is Falling Down'. Can you enhance the performance with actions? If you can, record the performance and email it to school.
Create a timeline of your life so far that includes key events such as the year you were born, when you started Nursery/School, when you moved house.	Using your computing skills, can you create a short stop-frame video animation? You could make models from Play-Doh or use mini figures.	Create a fire themed dance. Think how you can use your body to represent flames and experiment with fast and slow movements.
Write a diary entry about a memorable day. Remember to include time openers, events, feelings and use the past tense. Can you use cursive writing just like Samuel Pepys?	Bake a pie or some tarts just like the bakery on Pudding Lane. What filling would you use? Take a photo and tell us how your cooking tasted.	What have you enjoyed about being in Year 1? Prepare a presentation of what you have enjoyed and be prepared to share with the class.
