

Y1 half-term learning grid

Talk, think, read, write	Design and create	Let's perform
Find out which dinosaur was the smallest/tallest or fastest/heaviest. Record your findings in your homework book.	Think about where dinosaurs lived. Create a shoebox habitat and bring it into school to show to the class.	Find or write some dinosaur jokes. See if you can remember one and perform it to the class.
Choose your favourite dinosaur and write five fascinating facts. Record in your homework book and share your facts with the class.	Can you make some dinosaur fossils at home using salt dough? Take a photo and stick it in your homework book.	Look on the internet for songs about dinosaurs. Can you learn a line from one of the songs and sing it to the class?
Create a list of foods which herbivore or carnivore dinosaurs might eat if they were alive today.	Make a 3D junk model dinosaur. Take a photo and stick it into your homework book and bring it in to display in our classroom.	Can you find a poem about a dinosaur or write one yourself? Be prepared to perform it in front of the class.
