

Year 2: Summer 1 Half-Term Learning Grid		Topics: Transport and Plants
Talk, think, read, write	Design and create	Let's perform
<p><u>Space Travel</u></p> <p>We will be learning about the evolution of the aeroplane in class – can you research the evolution of space travel? From dogs to Tim Peake, from moon landings to space tourism – this is a fascinating topic that we're sure you will enjoy!</p> <p>Please display work in your Homework Book.</p>	<p><u>Dream Garden</u></p> <p>Design the perfect garden for yourself, your family, our school, a person that you admire, or a character from a book – you choose! Your design can be 2D or 3D – we just can't wait to see.</p>	<p><u>Poetry</u></p> <p>From runaway trains to pea-green boats, transport (and journeys) have inspired many poets. Find a transport poem that you enjoy - we would love to hear you perform it!</p> <p>Please don't forget to copy the poem for our class poetry book!</p>
<p><u>Transport around the World</u></p> <p>How do people travel in other countries? Does everyone there travel the same way? Why? Which modes of transport have you used? Which ones would you like to try? Why? We can't wait to discover what you've learnt!</p> <p>Please display in your Homework Book.</p>	<p><u>Into the Future</u></p> <p>How do you think humans will travel in the future? Design a mode of transport to show us your ideas. Will humans use the same mode of transport to go to school, go to work, go to other parts of the UK, go abroad... or even go to another planet?</p>	<p><u>Get Creative</u></p> <p>What can you make using plants? Show us how creative you are and explain to the class how you made your 'show and tell'. You could try making bath bombs, potpourri, carrot cake, or something of your choice.</p>
<p><u>Native Flowers</u></p> <p>Research flowers found in the garden or woodlands. You may like to find out why they are so important to us and which ones may be under threat. We're looking forward to seeing your work, but please don't forget not to pick wild flowers.</p> <p>Please display in your Homework Book.</p>	<p><u>Off the Page</u></p> <p>Create a diorama (shoe box model) of a scene from 'Sally's Great Balloon Adventure' (coming soon!), or any of the books that we have read this term.</p> <p>We're looking forward to seeing a book come to life!</p>	<p><u>A Recipe with a Difference</u></p> <p>How can we be a good friend to others? We're sure that you have some great ideas to share.</p> <p>Create a recipe for friendship and perform it to the class.</p>
