

Thursday 18th April 2024

Dear Parents and Carers,

A very warm welcome back to school! I hope you had a wonderful Easter break and are ready for a busy and exciting term ahead.

It has been a pleasure and privilege to lead the school this year and I am immensely proud of the hard work and dedication to the school shown by children, parents and staff. This is a very special community, and it is a privilege to be part of it.

As we get close to the return to school, I extend a special welcome to those new pupils and families who are joining us for the first time. I look forward to getting to know you all over the next few weeks. The spring season brings with it a sense of renewal and growth (although I was slightly bemused when driving home from work last Tuesday when it started to sleet!), and I am excited to see the energy and enthusiasm all the children will bring to the school community once they return on Tuesday 23rd April.

My message to the children when they return next week will be one where they are encouraged to approach each day with curiosity and a thirst for learning and to embrace all the different challenges and opportunities that the summer term will bring.

Just a gentle nudge to you all to keep an eye out every Thursday for the weekly school communication, 'The Week Ahead', and to join the Friends of Windlesham quiz night on the evening of Friday 26th April.

Thank you for your continued support of the school over this year and we look forward to welcoming your children back to school on Tuesday 23rd April for a Summer Term full of promise.

Kind regards,

David Leggett
Headmaster
