Dear Parents and Carers,

This term, like all terms, has started with a bang!

The children have come back refreshed after the holidays, full of energy and have been immersing themselves into everything. This week clubs have started; fixtures have been played and rehearsals are in full swing for our Performing Arts schedule for this term.

Our Year 4 children are currently enjoying their first residential trip to Lodge Hill, and we are delighted that they will have the opportunity to experience a range of outdoor activities and challenges. This trip not only allows them to become more independent and develop social skills but also helps them to realise the importance of trying new things and overcoming fears. For some of them, it is the first time they have ever spent a night away from home.

Please can I remind all parents not to park in the disabled bays outside the school. There have been occasions this term where cars have been parked in these bays and those who are entitled to use them have not been able to park. Thank you for your cooperation on this matter.

I would like to wish the very best of luck to Rowan Farnell for this weekend where she is completing the Isle of Wight Ultra Hike in aid of The Martlets Hospice. If you would like to contribute to her fundraising, please follow the link on 'The Week Ahead' document.

A big thank you also goes out to our Friends of Windlesham team who hosted a successful coffee morning at Windlesham on Tuesday. It was great to see parents meeting up on what was a treat of a sunny morning.

Preparing children for life

To wrap up, I do hope that you have enjoyed reading the Classlist posts that have started up this week and you have found the windows of opportunity to see the learning that the children get involved in interesting. Please use the attached QR code if you wish to sign up to the app. Parents are welcome to also join the FOW and Whole School groups to keep up to date with events across the school community.

Kind regards,
