

Year 4's trip to
Lodge Hill, Pulborough
Thursday 30th – Friday 1st May 2026

Lodge Hill is an inclusive outdoor activity centre with residential facilities situated within 32 acres of stunning woodland in the midst of the South Downs National Park, overlooking the Arun Valley.

All staff at Lodge Hill are highly trained and qualified in all areas relevant to their role.

They are highly regulated and inspected; receiving much praise from our assessors and associated professionals. They are also very lucky to receive regular positive feedback from our visitors young and old. The centre has enjoyed frequent press coverage for our events and outstanding service delivery.

AAIA Adventuremark

LOIC Quality Badge

— Safety Assurance Schemes —

The Learning Outside the Classroom (LOIC) Quality Badge and Adventuremark are non-statutory quality and safety badges respectively. Both are supported by the AAIA.

LOIC Quality Badge

The LOIC Quality Badge, overseen by Council for Learning Outside the Classroom, is a national award assessing both the quality of risk management and educational provision across all types of learning outside the classroom providers including adventurous activity providers.

To find out more about the whole scheme [click here](#)
To find out how to apply as a provider of Adventurous Activities [click here](#)

Adventuremark

Adventuremark is a non statutory scheme for adventurous activities in the UK, supported by the AAIA.

Everything Lodge Hill offers and does is based around the same outcomes.

These are:

- To introduce new, challenging experiences with exposure to controlled risk
- Challenge negative beliefs
- Promote wellbeing and connectedness through outdoor activity and the willingness to participate in diverse activities
- Build self-worth, self-esteem and confidence
- Build and nurture relationships
- To develop and support positive attitudes to health and wellbeing
- Develop strong core values through mutual respect which will impact positively on everyday life
- To reduce anxiety, stress and challenging behaviours through outdoor activity
- To promote decision making, risk taking, self-care and understanding
- To promote positive mental and physical health in the short and longer terms

Every young person remembers their residential trips. A time of laughter, exploring exciting new experiences, learning new skills as well as discovering more about themselves and those around them.

Lodge Hill's residential courses focus on:

- Personal development
- Confidence
- Self-awareness
- Taking responsibility
- Communication
- Team building skills
- Respect for others

Whilst at Lodge Hill, young people are able to develop an understanding and appreciation of each other while our adventurous outdoor activities help them to acquire awareness of their own strengths and abilities.

LODGE HILL

CHANGING LIVES
