

Year 1: Autumn 2 half-term learning grid

Talk, think, read, write	Design and create	Let's perform
We are learning about continents and oceans. Can you write some interesting facts about a country that you would like to visit and explain why you would like to go there?	Can you draw and then paint/colour a picture using only the primary or secondary colours? Remember the song about primary and secondary colours that we have learnt at school. Don't forget to stick the picture in your homework book.	Can you count to 20 in another language? If you need a bit of help, have a look on the Internet for a song. Be prepared to teach the rest of the class.
Can you type out one of your favourite poems? Remember to use the caps lock or shift button for capital letters and the space bar for spaces in between words. Challenge – do you know how to change the size of the font?	Go on an Autumn walk and collect different coloured leaves. Can you make a picture with the leaves? Stick it in your homework book for the class to see.	Try and learn all our Christmas songs for 'Hey Ewe!' Can you remember the actions to go with the songs too? Choose your favourite one and see if an adult at home can record you singing it.
Write about a friend or a member of your family. Try to use capital letters and full stops in your sentences. Can you add some interesting adjectives to describe them?	Choose your favourite story book. Can you design and draw a new front cover? What characters, settings or details from the story could you include to tempt the reader?	Can you learn a number bonds to 10/20 song and share what you have learnt with the class? There are lots of songs on the Internet to help you.
