

Year 2: Summer 1 Learning Grid Topics: Transport and Plants

Talk, think, read, write	Design and create	Let's perform
<p><u>Material Hunt</u></p> <p>Take a walk around your home. How many different materials can you find? What are they used for? Can you take pictures or draw at least 3 different materials and write a sentence to describe what each one looks like? Feels like? Is it solid or can you bend/mould it?</p>	<p><u>Dream Garden</u></p> <p>Design the perfect garden for yourself, your family, our school, a person that you admire, or a character from a book – you choose! Your design can be 2D or 3D.</p>	<p><u>Journey Adventure</u></p> <p>Can you act out a journey?</p> <ul style="list-style-type: none"> • Pretend you are travelling (car, train, plane, boat) • Use your voice for sounds (vroom! choo choo!) • You can use things at home as props <p>Send a video in or some pictures!</p>
<p><u>Transport around the World</u></p> <p>How do people travel in other countries? Does everyone there travel the same way? Why? Which modes of transport have you used? Which ones would you like to try? Why? Create a poster with all you have learnt!</p>	<p><u>Into the Future</u></p> <p>How do you think humans will travel in the future? Design a mode of transport to show us your ideas. Will humans use the same mode of transport to go to school, go to work, go to other parts of the UK, go abroad... or even go to another planet?</p>	<p><u>Get Creative</u></p> <p>What can you make using plants as an ingredient? Show us how creative you are and explain to the class how you made your 'show and tell'. You could try making bath bombs, potpourri, carrot cake or something else!</p>
<p><u>Native Flowers</u></p> <p>Research flowers found in the garden or woodlands. You may like to find out why they are so important to us and which ones may be under threat. We're looking forward to seeing your work, but please remember not to pick wildflowers – leave them where they are for others to admire too!</p>	<p><u>Design a Vehicle</u></p> <p>Can you invent your own transport?</p> <ul style="list-style-type: none"> • Draw (on a piece of paper or using a computer) or make it using recyclable materials (boxes, bottles) • It could be: <ul style="list-style-type: none"> ○ A flying car   ○ A rocket bike   <p>Challenge: Label the parts!</p>	<p><u>A Recipe with a Difference</u></p> <p>Create a magical recipe for friendship using ingredients like kindness, sharing and helping. Write or draw your recipe with simple instructions. Act it out like a chef using fun actions and voices. This links to PSHE by helping us learn about kindness, respect and being a good friend.</p>
