

Y1 half-term learning grid

Talk, think, read, write	Design and create	Let's perform
Write a book review about your favourite book. Can you add an extra page of your own using the style and language of the text? Draw a picture of the front cover to go with it.	Design a new house for the Three Little Pigs - perhaps one that can't be blown down! Think about the properties of different materials.	Learn and perform a nursery rhyme or simple song of your choice. Can you enhance the performance with actions? If you can, record the performance and email it to school.
Create a timeline of your life so far that includes key events such as the year you were born, when you started nursery/school, when you moved house.	Research paintings of famous castles and use your computer skills to create your own picture.	Research dancing from medieval times. Create your own medieval dance. Think about how you will move different parts of your body. If you can, record the performance and email it to school.
Research different castles. Write some facts about your favourite castle. Explain why it is your favourite castle.	Create a castle using recyclable materials. Think about the different features of a castle that we have been learning about in class.	What have you enjoyed about being in Year 1? Prepare a presentation of what you have enjoyed and be prepared to share with the class.
