- Stories, songs, rhymes and games.

Geography

- Transport surveys – what types of transport are in our local area and why? Link to Mathematics.
- Inventions from around the world.

History

- How and why transport has developed over the last 200 years.
- Where were different types of transport used and why?
- Detailed research on each type of transport.
- Famous transport inventors.
- Visit to Brooklands Museum.

Music

- Learn songs for the 70th Anniversary Concert.
- Learn simple melodies on the recorder by ear and using notation.
- Compose descriptive music using knowledge of musical elements.
- Explore rhythms using body percussion and instruments.

PE

- Games – developing bat and ball skills, fielding games, athletics.
- Swimming – stroke techniques, water confidence and safety awareness.
- Athletics – Introduction to running, throwing and jumping events.

PSHE

- MAGIC (Motivation, Attitude, Gumption, I learn, Communication).
- Being kind to each other.
- Looking at the way we behave towards others and relate to our peers.
- Moving on to the Upper School – what will be similar or different?

Religious Studies

- Why did Jesus tell stories?
- Studying a selection of parables from the New Testament – why they were used and are still relevant today.

PHILOSOPHY lessons will take place approximately every 3 weeks. Philosophical themes and ideas will be considered and discussed.

These topics are merely what we would like to cover. Please note that as an Independent school, we enjoy the flexibility to explore any other interesting area of learning that may arise during the term, and therefore the list should be taken as a guide only.

Further Useful Information

The school gate opens at 8:10am. Registration takes place between 8:50 and 8:55am.
Collection time for Year 2 is 3.40pm.
